EMPLOYMENT HISTORY

Year Of Exprience	8
--------------------------	---

Background	I am an experienced CMMS Officer with over 8 years of expertise in stock control, system optimization, and crossfunctional coordination between warehouse, procurement, and finance departments. My professional focus lies in ensuring accurate inventory data, maintaining optimal stock levels, and streamlining warehouse operations through system-based management tools such as ERP, CMMS, and Power BI. I have demonstrated strong abilities in data analysis, stockroom supervision, and ensuring smooth day-to-day operations and full traceability of equipment and spare parts. My experience extends to budget and consumption monitoring, item specification verification, and procurement alignment to support cost-effective decision-making. I am skilled at developing and implementing Standard Operating Procedures (SOPs) for warehouse operations, delivering targeted user training, and ensuring compliance with organizational and inventory control standards. My approach blends analytical problem-solving with teamwork to drive operational efficiency, accuracy, and long-term system reliability.
