Background	I've been working in two roles: as a Housekeeper and as a babysitter/nanny. What I'm really good at doing is time management and being incredibly detail-oriented. My housekeeping experience taught me how to be extremely efficient and organized under pressure, while my nannying work has honed my communication skills and made me an excellent problem-solver who is highly responsible and trustworthy. I'm good at quickly assessing a situation, taking ownership, and ensuring the job is done right, the first time.
