Year Of Exprience	17
--------------------------	----

Background

I'm currently employed in Ship's Design Company as Design Engineer and Team Leader. Proficient in AutoCad, Microsoft office, Adobe Acrobat, basic Staad Pro, basic Civil 3D, basic Sketch up. My responsibilities of my current job as follows. Prepares drawings/plans such as General Arrangement, Docking Plan, Damage Control Plans and others Performs measurement and calculation such as Deadweight Measurement, Inclining Test & Sea Trials and computations of each results. Prepares design calculations to be used for Factory side & for Costumers side such as Launching Calculation, Ballast/Deballast Calculation, Tanks Scale & its corresponding capacity, Loading Manual & Stability Calculation & others. Checking the drawing outputs of each member of the team to ensure the quality of deliverables. Prepares jobs schedule of the team and monitoring of each deliveries to ensure the promptness of our outputs. Initiating every morning stand-up meeting to know the status and to remind each members for the deliverables. Reporting to the Group Manager for the daily, weekly and monthly status of the team. I had experience also in vertical projects (Buildings) as Site Engineer. My responsibilities as follows. Supervising the construction of Residential, Warehouses, Factories, and Commercial Buildings. To ensure the projects is according to specifications and schedule To ensure safety of the employees in the field To ensure sufficient supply of the materials To discuss with subcontractors for the progress, updates and scheduling To redesign the plans and re estimates the cost if necessary To report to the project Engineer and customer for the progress if ever visited the site To revise the schedule if necessary depending on the actual output To help other engineer staffs for another projects especially on design and estimate for bidding. I'm currently living in Cebu, Philippines but I had many times working in Japan in our mother company. As part of my sideline, I'm also prepare complete plans for house designs such as Structural, Architectural, Electrical and Sanitary plans using AutoCAD as well as Estimation and Building Specifications for Government Building Permit purpose. I believe that with my wide experience I can easily learn and can adopt the system in your good Company. I'm willing to learn new things, flexible, proactive, Open Minded and with "Can-Do it" attitude, can work under pressure with minimal supervision. I have a passport but it requires Employers sponsorship.
